REPORT ON BOOK LOVERS' MEET

The Rotary Interact Club of DAV Public School, Velachery, organised a *Book Lovers' Meet* on 6 November, 2026, with the objective of promoting reading habits and encouraging the exchange of books among students.

The participants were welcomed by the Club President, Yuthika Mannem, and the Club Secretary, Sreenanda Gireesh V. Students of Grades XI and XII participated in the initiative by donating Novels - fiction and Nonfiction books they had already read and exchanging them with their peers.

The collection featured a diverse range of genres, including fantasy, adventure, mystery, detective fiction, mythology, biographies, self-help and contemporary fiction. Titles such as *Harry Potter and the Prisoner of Azkaban*, *Adventures of Sherlock Holmes*, *The Illustrated Ramayan*, *Ikigai – For Teens* and *Think Again* reflected the varied reading interests of the participants.

The activity provided students with an opportunity to explore unfamiliar genres, discover new authors and broaden their reading interests. It also encouraged the reuse of books, promoting resource sharing and making reading material accessible to more students.

Despite the relatively limited number of participants, the initiative was successfully conducted and served as an "encouraging beginning" towards fostering a reading culture within the school community. In addition to the exchange, approximately 28 books were collected for donation, further extending the reach and purpose of the initiative.

At the conclusion of the event, the participants were formally thanked by Piradeeshwaran R (Director) and Advaith A (Vice President).

The club hopes to organise similar activities in the future with greater student participation and wider outreach. The event was a meaningful initiative towards cultivating reading habits, encouraging the sharing of knowledge and instilling a sense of social responsibility among students.
