REPORT ON THE CLASS ASSEMBLY OF STD IV E DURING THE ACADEMIC YEAR 2026 -27

Class Teacher: Ms. L Kalpana

Timings: 8:45 a.m. to 9:15 a.m.

Date: 31.7.2026 (Friday)

Class Strength: 42

Topic: Problem Solving Skills in Team Work

“Coming together is a beginning, keeping together is progress, and working together is success”. – Henry Ford

Guided by this timeless thought, the students of **Grade IV E** presented a meaningful and engaging class assembly on the theme **“Teamwork in Problem Solving Skills”**. The programme served as a gentle reminder that collaboration, empathy, and shared responsibility are the cornerstones of overcoming challenges and achieving common goals.

The assembly commenced with the **Tamizh Thaa Vazhthu** and **DAV Gaan**, creating a serene and dignified ambience. The **Welcome Address** and **National Pledge** reflected the values of unity, discipline, and responsible citizenship, setting an inspiring tone for the programme.

The highlight of the assembly was the skit **‘The Museum of Teamwork’**, an innovative presentation that brought to life three meaningful exhibits illustrating the power of collective effort. From volunteers extending support during the **Chennai floods**, to healthcare professionals working in harmony to save a patient, and classmates warmly embracing a newly admitted student, each scene beautifully demonstrated that every challenge finds a solution when people work together with compassion and commitment.

The programme reached its crescendo with the inspiring song **“The Problem Solving Squad”** and an energetic **Zumba performance**, both celebrating the strength of unity and collaboration. The finale featured a captivating **Ramp Walk**, where students showcased placards representing the core values of effective teamwork. As the placards were turned to reveal the message, **“Together We Can Solve Any Problem”**, the audience was left with a powerful reminder that the greatest achievements are born from collective effort.

The assembly received wholehearted appreciation from our **Supervisory Head, Ms. Durga Lakshmi S**, who commended the students for their confidence, discipline, creativity, and seamless coordination. The encouraging feedback shared by the parents further affirmed the success of the programme, appreciating the relevance of the theme, the wholehearted participation of every child, and the practical life lessons conveyed through each presentation.

The programme concluded with the **Vote of Thanks**, followed by the **National Anthem**, the **DAV Motto**, and class dispersal. The assembly successfully conveyed that teamwork is not merely about working together, but about respecting diverse perspectives, sharing responsibilities, and finding solutions through collective effort. It served as a meaningful learning experience, inspiring students to embrace collaboration as an essential life skill.

Ramp Walk – Six Steps to Teamwork
