Topic: How Our School Promotes Tolerance Among Students - 3 ways

The Class Assembly of Std. VII D on the topic "How Our School Promotes Tolerance Among Students in Three Ways" was conducted at DAV Public School on September 10, 2026. The programme was designed to highlight how the school fosters mutual respect, empathy, and harmony through interactive dialogue, cultural diversity, and physical-mental discipline.

The event commenced with a serene invocation song that set a peaceful tone for the morning. The seamless and articulate compering was done by Archana and Nivertanideesh Kumar. Madhav then delivered a warm welcome speech, setting the context for the theme of tolerance in school life. The core message was vividly brought to life through a sequence of student performances, beginning with an impactful skit that demonstrated peer conflict resolution through active listening and empathy.

This was followed by a soulful rendition celebrating unity, a disciplined yoga demonstration illustrating how self-regulation and inner peace build patience, and a vibrant cultural dance highlighting the rich diversity within our school community.

The Assembly concluded with a formal vote of thanks delivered by Aaradhana, followed by the singing of the National Anthem and chanting of Shanti Paat.

Our supervisory head appreciated our work tremendously, commending the team for the thoughtful execution, strong coordination, and clear message of tolerance conveyed throughout the program.
