Class Teacher: Ms. S Padma
Timings: 8:45a.m. - 09:15 a.m.

Date: 03.11.2025 (Monday)
Class Strength: 44

Topic: How to Care for our Environment

The morning assembly began with great enthusiasm and a spirit of unity. The programme was smoothly compered by Hamritaa Sree and Reyansh Aditya, who guided the audience through each event. The assembly commenced with the **School Prayer**, filling the atmosphere with positivity and devotion, followed by the **Pledge** led by Roweena Chayil R, where students promised to uphold values of care and responsibility towards the environment.

The **Welcome Speech** was delivered by R. Arumukesh, who warmly greeted everyone and introduced the theme “**How to Care for Our Environment**”. The Speech on the Topic was presented by Saketh Ram B, M S Malleswari, Shivika Siva Rama Krishnan, and Reyansh Aditya, who emphasized the importance of protecting our surroundings through simple, mindful actions.

The programme continued with “**Rhythm of the Earth**”, beautifully showcasing nature’s harmony through music, followed by an informative presentation on **Do’s and Don’ts for Saving Our Earth**, which taught practical ways to conserve natural resources and reduce pollution.

A thought-provoking Skit titled “**The Sick Earth**” was then performed by seven students, portraying characters such as a child, a factory, a car, two trees, the Earth, and a narrator. The skit effectively depicted the harmful effects of pollution and human negligence, urging everyone to take steps toward environmental care.

The **Group Dance**, based on the reduced usage of plastics, added colour and meaning to the programme, spreading awareness about minimizing plastic waste and choosing eco-friendly alternatives.

The assembly concluded with the **Vote of Thanks** delivered by Lahari Sajja, who expressed heartfelt gratitude to all the participants and teachers for their efforts. Finally, the **National Anthem** and **Shanti Paat** brought the assembly to a peaceful and patriotic end.

Overall, the event was inspiring, educational, and a strong reminder of our collective duty to care for the environment
