The Assembly commenced with the prayer followed by the welcome speech delivered by Pragya Jain. An introductory explanation, in brief was given by the comperes Vajra Ravin Somi and Nethra Saravanan on the theme of the Assembly i.e. Empathy - its importance, connection with sympathy, and how to empathize with others, understand one's own emotions and avoid interpersonal conflicts and misunderstandings.

Students presented an 'Interesting Tableau' on the topic, **KINDNESS IN ACTION**, in which they demonstrated various means of being empathized with peer groups. The tableau highlighted the value of empathy- the ability to understand and share the feelings of others. Through this tableau, students showcased that kindness, compassion and understanding can bring people together, bridge differences and create harmony in society.

Followed by the Tableau – '**A MELODIC FUSION**', a musical show where a melodious song by Shreyanshi Anand, accompanied by the graceful notes of the Violin by Vedanshi, created a harmony that touched every heart.

Students also demonstrated a 'Talk show' – **VOICES OF COMPASSION** which showcased how we struggle to handle the negative emotions like Fear, Anger, Anxiety, Loneliness and Shame.

Finally, the dancers of Class VII A brought life to the stage with their vibrant performance. The dance performance was an elegant blend of rhythm and expression.
