Topic: How to Identify Kinesthetic Intelligence among Students

To foster the understanding of multiple intelligences among students, Class VI–D of D.A.V. Public School, Velachery organized a lively and informative programme on the theme “How to Identify Kinesthetic Intelligence among Students” on 3rd July 2025, at the Vatika Premises. The aim was to help teachers and peers identify students who learn best through movement and hands-on experiences.

The programme began with the chanting of the Gayatri Mantra, followed by the solemn singing of the DAV Gaan, creating a serene and spiritual start. Students then took the Pledge, reinforcing values of integrity and unity.

The event was officially opened with a warm and confident Welcome Speech delivered by Archana S, who greeted the gathering and introduced the theme with great enthusiasm.

A cheerful and melodious Welcome Song was then presented by Samruthi, Nithyasri Thiyagarajan, Haridra, and Lakshana bringing joy and positivity to the audience. The performance was beautifully enhanced by a soulful piano accompaniment by Laya Rahavan adding a rich musical layer to the presentation.

An insightful Talk on Kinesthetic Intelligence helped the audience understand the traits of kinesthetic learners - those who grasp concepts better through movement, action, and hands-on activities rather than passive listening.

This was followed by an engaging activity titled “Learning by Doing”, where students creatively showcased kinesthetic learning through demonstrations, model-making, physical exercises, and interactive presentations. The audience was visibly impressed by the enthusiasm and clarity with which students conveyed the concept.

A graceful and energetic Dance Performance further illustrated how bodily movement and rhythm can be powerful tools for learning and expression.

The programme concluded with a heartfelt Vote of Thanks by Shaswath Sharavanan, who expressed sincere gratitude to the Principal, Supervisory in-Charges, teachers, parents, and fellow students for their support, encouragement, and participation.

The event ended with the singing of the National Anthem, followed by the recitation of the Shanti Paat, spreading a message of peace, unity, and well-being.
