REPORT ON THE CLASS ASSEMBLY OF IX C DURING THE ACADEMIC YEAR 2026 - 27

Class Teacher: Ms. Thenral N
Timing: 8.30 a.m. to 9.00 a.m.

Date / Day: 28.07.2026 (Tuesday)
Class Strength: 39

Topic: How School Encourages Creativity and Innovation Skill Among Students

The Assembly of Class IX C was held on 28 July, 2026 on the topic “**How School Encourages Creativity and Innovation Skills Among Students**”. The Master of Ceremony, Harshith R and Deeksitha G shared the responsibility of anchoring the programme.

The Class Assembly commenced with a melodious rendition of *Tamil Thai Vazhthu* followed by *Gayatri Mantra* and the *DAV Gaan* to lead in the “**Awakening Minds**”. Deekshitha extended a cheerful welcome to the gathering and **set the stage** for the exciting programme.

The highlight of the Assembly was “**Creativity – One Letter, Infinite Possibilities**”. Through the acronym CREATIVITY, students presented the various opportunities provided by the school to nurture creativity and innovation.

Each letter represented an activity, experience and value that contributes to the holistic development of students:

C - Clubs: Providing opportunities for students to explore interests, develop skills

R - Robotics: Encouraging innovation, designing, and problem-solving through the *Sound Sensing Light Model*.

E - Elections: Promoting digital participation while developing leadership, responsibility, and democratic values.

A - Assembly: Providing a platform for students to express ideas, showcase talents, and develop confidence and communicate creatively through a Mime act

T - Teamwork: Encouraging collaboration, communication, cooperation, through an Art Integration Project and Road Rally Show

I - Innovative Ideas: Motivating students to think differently and find creative solutions to real-life problems through the “**Blind Stick Using Sensor**” project.

V - Vocational Skills: Developing practical skills and connecting learning with real-world applications through a Puppet show

I - Inter-House Competitions: Providing opportunities to compete, collaborate, perform, and showcase diverse talents such as Hula Loop, Mehendi Design, Paper Quilling, Vegetable Carving

T - Transformative Learning: Promoting learning by doing, creating, experimenting, and applying knowledge.

The students demonstrated this through the mathematical identity $(a+b)^2 = a^2 + 2ab + b^2$

Y - Yoga: Developing concentration, balance, and mindfulness through a Yoga Formation.

“**Reverse Rhythm**” was a vibrant and energetic dance performance. Two contrasting styles into one spectacular presentation, that added colour and excitement to the Assembly.

Krish G delivered the Vote of Thanks with the message “**With Gratitude We Grow**”.

The Assembly concluded with encouraging words from the Supervisory Head, Mrs. Uma S. The Programme ended with the National Anthem followed by the recitation of the Shanti Paat.

Demonstration of 'Sound Sensing Light' Model

Beyond Schools, Beyond Boundaries

Learning to Transform into a better Innovator

Flexibility in Body, Stability in Mind

Creativity - A Word with Infinite Possibilities

The Rhythm that Doubled the Enthusiasm
