REPORT ON THE CELEBRATION OF WORLD OZONE DAY FOR THE ACADEMIC YEAR 2024 -25

Date: 11.09.2024

Timing: 08.40 a.m. to 09.30 a.m.

THEME: OZONE FOR LIFE – 35 YEARS OF GLOBAL COOPERATION

Class V students hosted the World Ozone Day 2024, and this year's theme underscores the long-term importance of protecting the ozone layer for the survival of all living organisms.

On September 11, our school celebrated World Ozone Day with a variety of engaging and educational activities. The event commenced with a soulful rendition of the Gayatri Mantra, followed by Daav Gaan, setting a serene and respectful tone for the day.

The program began with a **Welcome Speech** by Tejaswar of class V E, who highlighted the significance of the ozone layer and the urgent need for its preservation. This was followed by a series of activities organized by students from various grades.

Students of Class VII presented an **Informative Quiz** about the Ozone layer, demonstrating its significance. Their presentation detailed the causes and effects of ozone depletion, engaging the audience with interactive questions and visual aids.

“**Young Voices for a Greener Tomorrow**”, students of Grade V showcased their creativity through vibrant posters and thought-provoking poems dedicated to Ozone Day. Their colourful artwork and heartfelt poems reflected their understanding and concern for the environment, earning applause from the audience for inspiring a more sustainable future.

Class VIII students delivered a captivating theme based dance performance “**Tone of Ozone Depletion**”, portraying the causes, effects and measures to control ozone depletion. Their performance depicted the impact on human health, wildlife, and the environment providing a comprehensive overview of the long-term consequences of damage to the ozone layer.

Following this, students from Class VI presented “**Ozone Heroes Uniting for a Sustainable Planet**”, discussed various ways to safeguard our natural ecosystem. Their enlightening and empowering discussion encouraged everyone to take action in their daily lives.

The event concluded with Principal Mrs. Sujatha. M, and Supervisory Heads commending the efforts of all the participants. They praised the students for their hard work and dedication in raising awareness about this critical issue. The celebration ended with a heartfelt **Vote of Thanks**, expressing gratitude to everyone involved in making the event a spectacular success.

Overall, World Ozone Day left a lasting impact on the audience, reinforcing the importance of protecting our planet's ozone layer.
