REPORT ON THE COMMEMORATION OF NATIONAL LITERACY DAY FOR THE ACADEMIC YEAR 2024 -25

Date: 06.09.2024

Timing: 08.40 a.m. to 09.30 a.m.

On 6th September 2024, D.A.V. Public School organized various activities to celebrate National Literacy Day. The activities were carefully planned to engage students from different classes in creative and educational ways, fostering a love for reading and literacy.

Students from Std I and II participated in a reading and speaking activity that highlighted the importance of literacy. Library books were distributed to the students, encouraged them to explore new stories and enhance their reading skills. To add a festive touch, the classrooms were adorned with colourful boards, creating a lively atmosphere for the celebration.

In another engaging activity, two students prepared and delivered speeches on the significance of literacy. These students shared their insights with the class, encouraging everyone to appreciate the value of education. The activity inspired other students to recognise the importance of literacy in their lives.

Students from Std III and IV participated in a Bookmark-making activity inspired by their favourite books or characters. Using materials like coloured paper, stickers, and ribbons, the students crafted personalized bookmarks that reflected their interest and passion for reading. They were encouraged to include a favourite quote or a drawing, making each bookmark a unique expression of their literary interests.

These activities not only sparked creativity but also encouraged students to engage more deeply with their favourite books, fostering a greater appreciation for reading.

The National Literacy Day activities were a resounding success, with students enthusiastically participating in creative and educational exercises. These activities highlighted the importance of literacy by nurturing a love for reading among the students. The event concluded with a sense of accomplishment and inspiration, motivating students to continue developing their literacy skills and celebrating the joy of learning.
