The event began with a warm Welcome Address delivered by Aegan of Class VII, followed by Ms. K. Aswini, who accorded a hearty welcome and introduced the Chief Guest.

The cultural performances were both enlightening and thought-provoking. Dr. Adhirai, in her inspiring speech, emphasized on the need to care for all living beings and urged students to keep water for animals and contribute towards saving endangered species. Our dynamic Principal, Ms. Sujatha M, appreciated the efforts of the students and teachers and encouraged the idea of organizing a field trip to the zoo to deepen students' understanding of wildlife and conservation efforts.
