Name of the Teacher Coordinators	: Ms. Valli Rajkumar V A, Ms. Vishnu Priya G, Ms. Udhaya V Ms. Gayathri Ganesan, Mr. Karthikeyan N
Recipe for the Day	: Rainbow Fruit Salad with a Chatpata Twist

The Culinary Club conducted an interesting and enjoyable activity titled “Rainbow Fruit Salad with a Chatpata Twist.” The activity aimed to encourage students to develop healthy eating habits, enhance their creativity, and acquire basic culinary skills.

The session began with students watching a video on creative salad decoration and presentation, including attractive cucumber garnishing ideas. The video helped students understand how simple ingredients can be presented in an appealing and attractive manner.

After watching the video, the students prepared their own fruit salads using the ingredients they had brought from home. They diced and a mixed variety of mixed fruits and added ingredients such as honey, lemon juice, and chaat masala to give their salads a delicious chatpata flavour.

The students were then introduced to different ways of preparing, presenting, and adding flavours to salads. They learned that salads can also be prepared using ingredients such as custard, yogurt, and condensed milk, which offer a variety of flavours and textures. They were also given creative ideas for decorating and presenting their salads attractively.

Our respected Principal, Mrs. Sujatha M shared valuable tips with the students and encouraged them to maintain a scrapbook of the recipes prepared during Culinary Club activities. This would help them keep a record of the recipes and culinary skills they learn.

The activity was informative, creative, and enjoyable. It encouraged healthy eating habits, creativity, teamwork, and an interest in cooking. The students actively participated in the activity and thoroughly enjoyed preparing and tasting their colourful and delicious fruit salads.

CULINARY CLUB ACTIVITIES - STD. VII & VIII - 29.08.2026
