Topic: How School Sensitizes students towards Community Service by Raising Calamity Relief Fund.

The Assembly of Class IX commenced with the rendition of *Tamizh Thaa Vazhthu*, followed by the Gayatri Mantra and DAV Gaan. The morning's proceedings opened with a compelling reflection on how human resilience endures against Nature's harshest trials, successfully instilling a deep sense of mutual compassion and readiness in every student. The schedule seamlessly integrated diverse creative presentations to bring out the core messages of surviving calamities, leaning on community bonds, and stepping up with rapid relief measures.

Sai Shridhitha delivered an engaging Welcome Speech, setting an inspiring tone for the Assembly. The speech effectively introduced the day's theme, emphasizing the harsh realities of natural disasters, the deep suffering they cause, and our shared responsibility towards relief work. Her clear articulation and enthusiastic delivery ensured an impactful start to the proceedings.

The highlight of the Assembly was undoubtedly the skit, "The Scientist's message". A large majority of the class, with more than 20 students, participated in the dramatic presentation. The skit powerfully illustrated the brutal force of natural catastrophes such as sudden floods and violent earthquakes, vividly capturing the emotional and physical agony borne by displaced families. At the same time, it highlighted how swift rescue missions, organized relief drives, and compassionate humanitarian aid can turn despair into a renewed chance at survival.

The students of Std. IX A presented an inspiring and well-structured ramp walk under the banner of "The helping hand of D.A.V. Public School", highlighting the longstanding tradition of lending a hand at disaster management and active relief participation of the institution over the years. Through confident staging and coordinated movement, their presentation effectively conveyed the school's dedicated history of organizing student-led support drives, distributing emergency supplies, and participating in vital humanitarian campaigns across academic sessions. Their display underscored a deep-rooted, ongoing institutional commitment to fostering genuine social responsibility.

The assembly gained immense momentum with a vibrant dance performance, "Humanity's dance of joy". The girls and boys of IX A showcased a dynamic, high-energy, and well-choreographed routine executed with absolute enthusiasm. The dance symbolized the relentless energy of youth, collective action, and the resilience required to rebuild communities after calamity. The sheer passion and vigour of the dancers were infectious, leaving a lasting impression on everyone present.

The Assembly approached its Grand Finale with the summarization of key takeaways and the shared gratitude, voiced eloquently by Sahil Vinod Jawarkar, officially concluding the proceedings with a heartfelt note of appreciation for all participants' and attendees.

Feedback by the Supervisory Head and the Senior Supervisory Head, shared their feedback, praising the students of Std. IX A for their exceptional effort, discipline, and creativity. She commended the assembly's cohesive theme, the depth of emotional intelligence displayed in the skit, and the unique concept of the ramp walk celebrating school initiatives. She encouraged the students to maintain their enthusiasm and continue their active involvement in meaningful social initiatives. Her words served as a great source of motivation for both the participants and the audience.

To sum it all up, the Assembly stood out as an extraordinary triumph, deeply instilling the values of disaster consciousness, genuine empathy for the afflicted and active dedication to community aid. Std. IX A showcased exceptional Artistry, Teamwork, and Passion to deliver a profoundly meaningful experience for everyone in attendance.

The Programme ended with the National Anthem followed by the recitation of the Shanti Paat.
