### **REPORT ON OZONE DAY**

**Date : 16.09.2026**

**Host Classes : Class V and VI**

Our school celebrated World Ozone Day with great enthusiasm and active participation from the students of classes V and VI. The celebration aimed to sensitise young learners to the importance of the ozone layer and their responsibility towards protecting the environment.

The programme began with an informative introduction highlighting the significance of World Ozone Day followed by a vibrant **placard parade**. Students carried colourful placards bearing meaningful messages on protecting the ozone layer, and saving our Earth. This was followed by a lively song on the importance of Ozone layer and conveying the message of environmental protection and conservation.

The students then presented a thought-provoking **mime** depicting the vital role of the ozone layer in protecting the Earth from the Sun's harmful rays. The performance highlighted how certain chemicals released as a result of human activities contribute to ozone depletion and its harmful effects on our planet. It concluded by suggesting simple yet important measures to protect the ozone layer. Through their expressive performance, the students effectively conveyed the message and inspired their peers to become environmentally responsible citizens.

The celebration concluded with all the students taking a pledge to adopt measures to protect the ozone layer and our planet.

Our Guest, Mr. V Seetharaman, shared inspiring thoughts on how children can contribute to environmental conservation. He encouraged them to reduce the use of vehicles and air conditioners, minimise CFC emissions, plant more trees, and keep the surroundings clean. He also shared his experiences of contributing to the Swatch Bharat initiative through Exnora and his efforts towards protecting and restoring lakes.

The celebration was an enriching and meaningful experience, inspiring our young learners to take small yet meaningful steps towards create a cleaner, greener and healthier Earth.

**Setting the Stage for an Inspiring Celebration**

**Welcoming our Esteemed Guest with Warmth and Enthusiasm**

**A Parade of Purposeful Placards**

**Awareness Wave through Rhythm**

**The Silent Voice of the Earth's Shield**

**A Pledge to Protect our Planet – Save our Earth**
