Date / Day: 07.08.2025 (Thursday)

Timing: 8:45 a.m. to 9:15 a.m.

Topic: Team work in maintaining a clean and organized classroom.

“When every hand helps, even the smallest classroom becomes a temple of learning.” This quote truly came alive during our Grade IV D Class Assembly, where every child stood together to show that a clean and caring classroom is a team effort - not just an individual duty. The topic “**Teamwork in Maintaining a Clean and Organized Classroom**” was chosen to highlight how small, everyday actions - when done together - can make a big difference. From respecting the efforts of our school helpers to doing our part in keeping the classroom tidy, the assembly emphasized that teamwork turns ordinary tasks into meaningful habits.

The morning began with smiling faces and confident voices accompanied by folded hands and focused minds. Our students opened the assembly with the **Gayatri Mantra**, invoking purity and positivity. This was followed by the powerful and uplifting **DAV Gaan**, a song that connects us all as proud DAV heritage. We then recited the **National Pledge**, promising to be responsible citizens of our country and our classroom.

Our anchor team set the tone beautifully, reminding everyone that a classroom is more than just desks and walls, it's a space where ideas grow, and teamwork makes it thrive followed by the warm and respectful **Welcome Address**, expressing gratitude to our Principal Ma'am, teachers, parents, and peers for being part of the special day.

The next in line was a **skit** titled “**The Sound of Silence**” - a thought-provoking performance that tugged at every heart in the audience. Through realistic classroom scenes and emotional storytelling, students showcased how neglect and carelessness affect not just the environment, but also the people who help keep it clean.

Keeping the momentum going, students delivered a **Cleanliness Pledge**, promising to be mindful of their surroundings and to treat every corner of their classroom with care. The message was further amplified through a lively **Cleanliness-theme song**, showing that keeping our classroom clean can be fun when done together. Next up was an energetic twist - a **Zumba dance** combining fitness with responsibility. The students joyfully demonstrated that cleanliness and health go hand in hand, especially when teamwork leads the way.

Then came a powerful and patriotic presentation, where students held placards that read “**Swachh Bharat Starts From Us – Our Classroom**”, wearing Indian flag-themed headbands and wristbands. They moved gracefully to the soul-stirring tune of **Vande Mataram**. Each placard carried a unique message about cleanliness and teamwork, and together, they formed a vibrant display of unity and purpose. It wasn't just a performance - it was a statement.

As the program drew to a close, a heartfelt **Vote of Thanks** was proposed, appreciating the efforts of teachers, support staff, parents, and every student who contributed to making the assembly a success. Our respected Supervisory Head was then invited to share a few words, and an encouraging message which made the moment very special for all of us. We ended our assembly with the **National Anthem** followed by the **Shanti Paat**, standing tall and united. We were proud of what we had presented, and more importantly, proud of the values we promised to uphold.
