REPORT ON THE CLASS ASSEMBLY OF IX D DURING THE ACADEMIC YEAR 2026 - 2027

Class Teacher: Ms. Vishnupriya D

Timing: 8.30 a.m. to 9.00 a.m.

Date / Day: 29.07.2026 (Wednesday)

Class Strength: 39

Topic: How School Inculcates Love for the Natural Environment – Special Focus on Lakes and Marshlands

The Assembly of Class IX D was conducted on 29 July, 2026 based on the theme “**How School Inculcates Love for the Natural Environment – Special Focus on Lakes and Marshlands**” was conducted on **29 July, 2026** (Wednesday). The assembly aimed to sensitise students to the importance of protecting nature and to develop a sense of responsibility towards lakes, marshlands and other valuable ecosystems.

The programme was compered by **Monisha** and **Tharun Krishna**, who confidently introduced the various segments and made the proceedings organised and engaging.

The Assembly began with a welcome speech delivered by **Litharshana** and **Sudiksha**. They highlighted the significance of the natural environment and emphasised the role of students in protecting and preserving our surroundings.

A poem was recited by **Keerthana** and **Kiruthika**. The poetic presentation created an emotional connection with the theme and encouraged students to appreciate the beauty and value of the environment. A melodious rendition of a song by **Lakshitha** conveyed the importance of nature and the need to cherish our natural resources.

The highlight of the programme was a mime, based on the theme of environmental conservation. Through meaningful expressions and actions, the students conveyed the importance of lakes and marshlands and the need to protect these ecosystems from pollution and human neglect. The performance effectively communicated the message that every individual has a role to play in safeguarding nature.

An interesting and informative quiz on lakes, marshlands and environmental conservation was conducted towards the end of the Assembly. The quiz provided students with an enjoyable opportunity to test their knowledge and learn more about the importance of wetlands and their role in maintaining ecological balance.

Overall, the assembly was informative, engaging and thought-provoking. It successfully created awareness among students about the importance of lakes and marshlands and encouraged them to develop a deeper love, respect and responsibility towards the natural environment. The programme reinforced the idea that schools play an important role in nurturing environmentally conscious and responsible citizens.

The programme concluded with the Vote of Thanks delivered by **Mohit** and **Avantika**. They expressed their gratitude to everyone who contributed to the successful conduct of the Assembly. The Programme ended with the National Anthem followed by the recitation of the Shanti Paat.

Drama with a Purpose - Students Perform an Engaging Skit Highlighting the Importance of Portraying Lakes and Marshlands

Actions Speak Louder - Students Perform a Mime to Create Awareness about Protecting Lakes, Marshlands and Aquatic Animals

A Poetic Plea for Nature - Young Minds Speak for Lakes, Marshlands
