TOPIC: How School Inculcates Problem Solving Among Students – 3 Ways

Class VIII E presented a thoughtful and engaging Assembly on the topic “**How School Inculcates Problem Solving Among Students.**” The programme was beautifully compered by Ayesha Farheen and A P Nidharshan, who conducted the event with confidence and clarity.

The Assembly began with the Divine Moments, creating a peaceful and serene atmosphere. This was followed by a warm and graceful Welcome Address delivered by Jayapranavika, who greeted everyone and introduced the theme effectively.

The students performed an insightful presentation on the early life and spiritual journey along with Swamiji’s valuable contribution to Indian Society, ‘**A Vedic Torchbearer – Swami Dayanand Saraswati**’. It also added the teaching of Swamiji that inspire logical thinking and decision making among students.

‘**Whispers of Echo**’- the song brought forward reflective thoughts, encouraging students to think deeply and analytically.

The highlight of the assembly was the skit ‘**Unleashing Young Minds**’, which clearly demonstrated how **Classroom Activities, Team Work, and Real-life Situations** help students develop **Problem-Solving Skills**.

The vibrant dance performance ‘**Roots and Rhythms**’, added colour and enthusiasm to the programme, symbolizing cultural connection and creative expression.

The Assembly concluded with ‘**Gratitude Spark**’, where Ritushree delivered the Vote of Thanks, expressing gratitude to all the students who contributed to the success of the event.

The Principal’s address was inspiring, and it was ecstatic to note that parents shared positive feedback, appreciating the efforts of the students and the meaningful message conveyed, throughout the Programme.

The programme ended on a patriotic note singing the **National Anthem** followed by the **Shanti Paat**.

Overall, the Assembly was insightful and successfully conveyed how school plays a vital role in nurturing **Problem-Solving Skills among Students**.
