

D.A.V. PUBLIC SCHOOL, VELACHERY, CHENNAI-42
ACADEMIC YEAR 2025-2026

REPORT ON GLOBAL COLLEGE CAREER FAIR 2025

Global College Career Fair 2025 was organized at D.A.V. Public School, Velachery, Chennai - 42 on 30th August 2025, with the aim of providing both students and Parents of Std. IX to XII a platform to explore diverse Higher Education opportunities in India and abroad.

The College Career Fair was a collaborative venture with Future Paradigm Education Ltd, Bengaluru and 6 Colleges from India and 3 from Abroad. Delegates from all Universities setup their desks for a one to one interaction with Parents and Students.

A traditional welcome by Students of Std. IX made the reception of the delegates - Hospitality's Best at D.A.V.P.S!

The program commenced with a warm welcome address and a video presentation, highlighting the School Ethos, Achievements, and Holistic Learning Environment.

Representatives from the universities listed the courses offered at the Universities, the admission processes, Student Exchange Programmes, Global Collaborations, Scholarship Opportunities, and Career Pathways.

The sessions provided insights into the range of Under Graduate programs in STEM (Science, Technology, Engineering, Mathematics), Liberal Arts, Business, Design, and Medicine that cater to the diverse interests of students.

Students enquired about the fee structure, clarified doubts about specialisation and Placements and explored multiple career options suited to their passion and key competence.

The Fair created a meaningful bridge between the school and Higher Education Institutes by providing first-hand exposure to students who plan to take up unique courses and excel in the Global market. It also gave parents a new perspective about understanding their child's interest and helping them make Informed Decisions.

The Global College Career Fair truly reflected the vision of D.A.V. Public School, Velachery to nurture students into confident, capable and globally competitive learners.
