REPORT ON CHILDREN'S DAY CELEBRATION

Date: 14.11.2025

Children's Day was celebrated with great enthusiasm at the Vatika premises on 14th November 2025. The entire programme was thoughtfully organised by the teachers of Classes I to VI, who put together a variety of lively and engaging performances to make the day memorable for the students.

The celebration began with an invocation, followed by a warm welcome extended to all the children. Teachers delivered a special speech highlighting the significance of Children's Day and the importance of nurturing young minds.

For Classes V and VI, the event opened with a melodious group song presented by the teachers, instantly lifting the spirits of the children. This was followed by a colourful and engaging puppet show that conveyed meaningful morals and values. Adding a literary touch to the celebration, Ms. Bhawana, the Hindi teacher, recited a beautiful poem written especially for the children, which received warm appreciation. The highlight for the senior primary section was an exciting fashion show presented by the teachers, bringing smiles, cheers, and applause from the students.

For Classes I to IV, the programme included an entertaining segment titled Poetic Puzzles, where creative riddles and verses were shared, engaging the younger children with fun and learning. A Vibrant parade presented by teachers created a cheerful environment and was enjoyed by all.

A Special programme 'Fun Fiesta' with teachers participating in playful activities added Cheers to the Celebration. 'Teachers in Tune' and 'Beat the Bell', a lively musical and dance performance by the teachers filled the atmosphere with joy.

The celebration concluded with a Vote of Thanks expressing gratitude to the Management, Teachers, and Students for their support, followed by Shanti Paat, marking a peaceful and meaningful end to the event.

The entire day was filled with joy, creativity, and heartfelt moments. The efforts of the teachers made the Children's Day celebration truly memorable for all the students of Classes I to VI.
