REPORT ON WORLD ENVIRONMENT DAY CELEBRATION - 2026

Date : 05.06.2026 (Friday)

Timings : 09:00 a.m. – 11:00 a.m.

Event Host : Class VIII

D. A. V. Public School, Chennai, celebrated World Environment Day on 5th June, 2026. The Host were the students of class VIII with a series of impactful activities to promote environmental awareness and responsibility, to preserve the same.

The events for the day commenced with the preparation of colourful and thought-provoking posters, highlighting the urgent need to address climate change and its impact on the environment. These creative displays effectively conveyed powerful message on conservation of the environmental.

As a commendable initiative, students of Class VIII enthusiastically brought saplings to school, to underline the role of trees in mitigating climate change and maintaining ecological balance. A diverse collection of flowering plants, herbs, and fruit-bearing saplings were donated, enhancing the beauty and greenery of the school campus. The Principal of the School, also participated with the students in planting saplings, making the occasion even more memorable and inspiring.

Furthermore, a joint environmental rally was led by the students of Classes VIII, IX, and XI, carrying placards and raising impactful slogans to spread the awareness on the importance of afforestation and environmental protection.

It was a vibrant celebration which paved way for enthusiastic participation of the students to develop environmental consciousness. A strong message was shared among the students to shoulder the responsibility of 'Each One Plant One'. We learnt that it is significant to protect and preserve our planet for the future generations. To spread awareness is the need of the hour and the responsibility towards the next generation demands to keep environment safe and intact.

Green Hearts, Go Green for a Bright Futures

A Strong message of 'Each One Plant One'

Lend a Hand to save the Planet

United we stand Committed to protect the Environment
