REPORT ON THE CLASS ASSEMBLY OF VI A DURING THE ACADEMIC YEAR 2026 -2027

Class Teacher: Ms. Geetha Singh R
Timing: 8:35 a.m. to 8:55 a.m.

Date & Day: 15.04.2026 (Thursday)
Class Strength: 39

Topic: How To Identify Logical and Mathematical Intelligence

The students of Std. VI A conducted an engaging and insightful assembly on April 15, 2026, centered on Logical-Mathematical Intelligence. The event aimed to inspire students to recognize analytical patterns and embrace the ‘Human Computer’ within themselves.

The assembly commenced with a solemn prayer, followed by a gracious welcome to the gathering. The Thought for the Day highlighted the precision of logic and its role in understanding the world around us.

The event was anchored with an exceptional poise and style by the Master and Mistress of ceremonies, Master Nalan Sakthivel and Miss Shravanika, whose confident compering ensured a seamless flow throughout the program.

Intellectual engagement began with Arjun and his team, who presented the ‘Tease Your Brain’ quiz. This interactive segment challenged the audience with logical questions, sparking keen interest and quick thinking across all grade levels. This was followed by an eloquent speech by Yuvanya, who spoke about the life and record-breaking achievements of mathematician Shakuntala Devi, reminding everyone of the limitless potential of the human mind.

One of the most captivating segments was the ‘Magic or Logic’ show performed by Rudraeshvar Balaji and Aadhidev. Using a classic ‘Cups and Balls’ routine, they demonstrated how apparent magic is often rooted in mathematical probability and logical sequences.

The energy was further elevated by the ‘Fun with Numbers’ dance, where students used rhythmic movements and geometric formations to illustrate Mathematical Concepts.

The Assembly concluded with a Vote of thanks, followed by the National Anthem and the Shanti Paat.

Leading with Flair and Confidence

Blending Mystery with Magic

A Rhythmic Celebration of Logic

Sparkling Curiosity with Clever Brain Teasers

**Remembering the Human Computer
Shakunthala Devi**

**Validating the Vision: Accolades from the
Supervisory Head**
