

REPORT ON THE CLASS ASSEMBLY OF VI - C DURING THE ACADEMIC YEAR 2025 -2026

Class Teacher: Ms. Gayathri Ganesan

Date / Day: 02.07.2025 (Wednesday)

Timing: 8.30 a.m. to 9.00 a.m.

Class Strength: 41

Topic: How to Identify Linguistic Intelligence Among Students

The morning of 2nd July 2025 witnessed a vibrant and intellectually enriching class assembly conducted by Class VI C on the theme “How to Identify Linguistic Intelligence Among Students.” The programme was thoughtfully curated to celebrate and showcase various aspects of linguistic intelligence through a series of engaging activities.

The assembly commenced with the serene chanting of the Gayatri Mantra, setting a tone of calmness and mental clarity. This was followed by the DAV Gaan, which reinforced school spirit, unity, and the values upheld by the institution.

The formal opening of the event was marked by a warm Welcome Speech delivered by Navya of Class VI C. She extended heartfelt greetings to the Principal, Supervisory Heads, Teachers, Parents, Grandparents, and fellow DAVites, expressing gratitude for their presence and support.

‘Language Lounge’, a creative and thought-provoking Chat Show formed the core segment of the assembly. The dialogue-driven performance focused on identifying and understanding the importance of linguistic intelligence among students. It highlighted how verbal ability, storytelling, and expression shape learning and communication.

‘Master the word, rule the world’, this segment featured the introduction of a new vocabulary along with its origin, synonyms and example sentences, encouraging students to expand their language usage and comprehension in a fun, interactive manner.

‘A woman of Words and Worth’, a lively and expressive skit brought to life the inspiring contributions of author and philanthropist Sudha Murthy. The students delivered well-rehearsed dialogues with clarity, expression, and perfect modulation, illustrating the power of storytelling and effective communication.

‘Twist your Tongue, Amaze the World’, in this segment, students recited challenging tongue twisters with clarity, rhythm, and confidence. This activity not only entertained but also improved phonetic awareness, pronunciation, and articulation.

‘Unity in Verses, Diversity in Voices’, three students showcased their multilingual fluency by reciting short poems in English, Tamil, and Hindi. Each recitation demonstrated expressive voice modulation, accurate pronunciation, and emotional depth, celebrating the diversity and beauty of languages.

The assembly concluded with a brief and heartfelt speech, expressing sincere thanks to Principal Ma’am, Supervisory Heads, Teachers, and the enthusiastic audience for their encouragement and participation.

The programme ended on a patriotic and peaceful note with the rendition of the National Anthem followed by the Shanti Paat, symbolizing harmony, unity, and closure.

The assembly effectively integrated a rich variety of linguistic activities-prayer, speech, conversation, drama, tongue twisters, multilingual recitations, and vocabulary building-to demonstrate and celebrate linguistic intelligence. It reflected a thoughtful application of Multiple Intelligences theory, especially in identifying students’ verbal-linguistic abilities through performance, creativity, and communication.
