

**D.A.V. PUBLIC SCHOOL, VELACHERY, CHENNAI-42**  
**ACADEMIC YEAR 2025-2026**

**REPORT ON CAREER GUIDANCE SESSION**

<b>Date of Orientation</b>	: 14.07.2025 (Monday)
<b>Time</b>	: 08:45 a.m. – 10:00 a.m.
<b>Presented by</b>	: Mr Shrijith
<b>Audience</b>	: Std. X
<b>Venue</b>	: Football Ground

A Career Guidance Session was conducted on 14.7.25 from 8.45 a.m. to 10.00 a.m. by Mr Shrijith, an alumni of 2023 -24 batch focusing on empowering students to make informed decisions about their future academic and professional paths. The discussion covered crucial aspects, providing valuable insights and practical advice.

**Key Highlights:**

- **Choosing the Right Career Path:** Students were advised to reflect on their strengths, weaknesses, and interests when selecting a career path, rather than following friends' choices.
- **Entrance Exams:** The importances of entrance exams like NEET (Medicine) and JEE (Engineering) was emphasized, highlighting the vast competition and the need for thorough preparation.
- **Conceptual Understanding:** Students were encouraged to focus on understanding concepts rather than just studying, ensuring a strong foundation for future success.
- **Critical Classes:** The significance of Classes XI and XII was stressed, with students advised to utilize holidays to strengthen concepts and prepare for entrance exams.
- **Subject Selection:** Guidance was provided on choosing subjects in Class XI, aligning with career aspirations and interests.

**Career Insights:**

- **Medicine and Engineering:** Different requirements and challenges associated with these courses were discussed, highlighting the importance of careful consideration.
- **Career Options:** Students were informed about various career paths, including medicine, engineering, and other allied health science streams.

**Advice and Guidance:**

- **Research and Reflection:** Students were advised to research career options and reflect on their interests and strengths.
- **Seeking Guidance:** The value of seeking guidance from trusted sources, including seniors, parents, teachers, and student counsellors, was emphasized.
- **Understanding over Memorization:** Students were encouraged to prioritize understanding concepts over mere memorization.
- **NEET and Allied Health Science Courses:** The scope of NEET was discussed, including its relevance to medical, dental, and other allied health science streams.
- **Learning Strategies:** Tips on effective studying, note-taking, and time management were shared, along with advice on overcoming challenges and leveraging resources.

The career guidance session aimed to empower students with the knowledge and confidence to make informed decisions about their future. By emphasizing the importance of self-reflection, conceptual understanding, and seeking guidance, the discussion provided a valuable foundation for students to build upon
