Topic: How School Inculcates Problem Solving Among Students - 3 Ways

The students of class VIII-E hosted their Class Assembly on the topic “How School inculcates Problem Solving among Students – 3 ways” on 23rd August 2023 (Wednesday) in our School Assembly Ground between 8:30 a.m. and 9 a.m.

All the students worked collaboratively during the practice sessions as well as on the day of their class assembly. They were excited to be on stage.

In an attempt to invite the teachers and parents, students designed the mini invites along with riddles kindling the curiosity to watch their assembly. Badges were distributed to add significance to their topic

The assembly commenced with an invocation to the Almighty followed by a formal Welcome Address.

The three ways chosen by the students, through which problem solving is instilled by School, are Adapt and Collaborate, Create and Communicate and Decide and Conquer.

The theme of the assembly was presented through

- The D.A.V. Family – Skit
- Never Give up! – A Motivational Rhythm.

“The D.A.V. Family – Skit” provided a treat for the eyes. The skit with its witty actions were enjoyed by the audience. Inculcation of ‘Adapt and Collaborate’ and ‘Create and Communicate’ were shown in the skit along with Dance-O-Tune.

The Dance-O-Tune was the cynosure of all eyes as it involved ‘on the spot’ decision making and dancing. The uniqueness of the program is, the winners of the intermural competitions 2023–24 were invited to perform on the stage without prior information. The students thoroughly enjoyed and performed on stage.

“Never Give Up! – A Motivational Rhythm” emphasised the importance of problem solving.

In addition to the above programs, how the Communication Skill is being inculcated among students is presented through the classroom practice of introducing vocabulary box. Also, Sriram Vairavan’s anthology ‘**Dew Drops of My Diary**’ was honoured.

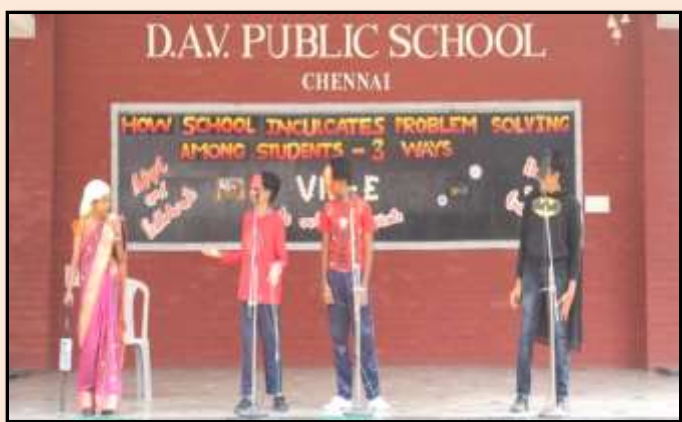

Analytical Skill, another important skill of Problem Solving was inculcated via organizing Astronomy Club. The message was conveyed through a conversation among comperees discussing about the Chandrayaan – 3. The model of a launcher was created and used by the students highlighting the landing of Vikram Lander on the moon on 23rd August 2023 (the day of assembly) at 6.04 p.m.

Towards closure, “Vote of Thanks” was delivered. Students’ contributions and involvement were recognised and appreciated through credits.

The short and crisp assembly was concluded with a motivational quote “Let us Focus on the Solution, Not on the Problem”.

Feedback was given by Ms. Sujatha, the Supervisory In-charge, and parents and later it was followed by Shanthi Paat and National Anthem.

All the students thanked our Principal Madam for the opportunity given to showcase their talents on stage.
