**Timing: 3.00 p.m. to 3.45 p.m.**

**Class Strength: 45**

#### **Topic: “Conservation of Nature – Save Electricity”**

The Class Assembly of UKG - E was conducted on 23<sup>rd</sup> November 2024, from 3.00 p.m. to 3.45 p.m.

The assembly was conducted at Vatika premises. The Theme of the assembly was ‘Save Electricity’.

The Programme started with a welcome speech by Venbaa and Deeksha, followed by school prayer and National pledge.

The comperes of the day were Dhiran, Adhvik, Nila and Pranitha. The students presented impressive programmes, showcasing their creativity and enthusiasm.

A catchy song with lyrics that emphasized the importance of saving electricity was sung by nine students.

A skit highlighting the consequences of wasting electricity and the benefits of conserving it was enacted and simple actions which can Save Electricity like switching off lights, fans, TV and electronics when not in use was well brought through the role play.

Five students delivered a speech on the importance of conservation of electricity, emphasizing how it helps reduce energy consumption, saves resources, and protects the environment.

Five students provided an informative discussion on the different sources of electricity.

Different slogans based on the topic Save Electricity was well delivered by seven students.

The final program of the day, a foot-tapping dance performance by all the students, highlighted the entire event and was met with a round of applause.

Vote of Thanks was delivered by Dharshith followed by the National Anthem and Shanthi paat.

School Motto was proudly delivered by Harikailash.

Overall, the assembly was an engaging and learning experience for the students. It highlighted the significance of conservation of nature and inspired the students to take small steps towards making a big impact.
