REPORT ON OZONE DAY

On September 3rd, our school celebrated World Ozone Day with a series of engaging and educational activities, reflecting this year's theme: "From Science to Global Action". The theme emphasizes the collective efforts and global commitment over the past 35 years to protect the ozone layer.

The event began with a soulful rendition of the Gayatri Mantra, followed by the DAV Gaan, setting a serene and patriotic tone for the day.

A welcome speech marked the formal opening of the programme, highlighting the importance of the ozone layer and the urgent need for its preservation. This was followed by a variety of activities presented by students from Classes V and VI.

The Class V students presented a melodious song "Science to Action – A Musical Journey" that raised awareness about ozone layer depletion. Their performance effectively portrayed its devastating impact on human health, wildlife and the environment, offering a comprehensive perspective on its longterm consequences.

Subsequently, Class VI students presented "Voice of the Ozone- A Skit" sharing valuable insights on practical ways to protect our Natural Ecosystems. Their informative and inspiring performance motivated the audience to adopt eco-friendly practices in their daily lives.

Adding vibrancy to the occasion, students showcased colourful artwork and heartfelt poems that reflected their concern for the environment. These creative expressions earned thunderous applause and inspired everyone to work toward a sustainable future.

The celebration concluded with an encouraging address by Supervisory Head, Ms.Vasumathi V, who praised the students' hard work and dedication in raising awareness on this critical issue. A heartfelt vote of thanks followed, expressing gratitude to all participants and contributors who made the event a grand success.

Overall, the World Ozone Day celebration left a lasting impression, reinforcing the significance of protecting our planet's ozone layer for the well-being of future generations.
