

**REPORT ON WORLD SCIENCE DAY CELEBRATION - 2025**

**Host Class: Std. XI**

**Date: 10.11.2025 (Monday)**

**Theme: Trust, Transformation, and Tomorrow - The Science We Need for 2050**

The World Science Day was commemorated on 10<sup>th</sup> November, 2025 by the students of Class XI. The primary objective of the event was to highlight the importance of Science in our daily lives and to promote Scientific Awareness and Curiosity among students.

The program commenced with the chanting of Gayatri Mantra, invoking the divine blessings for wisdom and knowledge, followed by DAV Gaan. The Welcome Address extended sincere greetings, establishing a positive and science-oriented ambience for the celebration.

The Introduction to the programme focused on the vital role Science plays in shaping the modern world and the ways it contributes to Sustainable Development. Students effectively conveyed how Science bridges the gap between Innovation and Human Progress.

A series of engaging activities and demonstrations were presented by the students:

- **Microscopic Experiments:** Students conducted insightful demonstrations highlighting the fascinating microscopic phenomena in Physics and Chemistry.
- **Blitz (Quiz):** A rapid-fire Science Quiz tested participants' Scientific Knowledge and presence of mind.
- **Rap Battle on Science:** A unique and entertaining segment where students combined creativity, rhythm, and scientific facts, making Science fun and relatable.

One of the highlights of the event was the presentation titled “Vyom Nethra – Eye of the Sky”, which offered insights into the latest advancements in Space Technology. The presentation demonstrated by the Trio – Vedanth G, Tamizhselvan N M, Arundev V of Std. XI and assisted by Vishal D of Std. XII delved into emerging scientific innovations. Vyom Nethra is a breakthrough innovation that combines AI and sensors to protect India's skies. Built with indigenous technology, that can make our nation safer, stronger, and self-reliant.

The event concluded with a Token of Gratitude followed by National Anthem and Shanti Paat.

Overall, the World Science Day proved to be an enlightening and inspiring experience, successfully motivating students to think scientifically, remain curious, and explore innovative ideas.
