The Class Assembly of X A was held on 9th of April, 2026 on the topic “**How School Identifies Aptitude and Moulds Passion for Learning a Subject among Students - 3 Ways**”. The programme commenced with the rendition of the DAV Gaan and the recitation of the sacred Gayatri Mantra which essentially served as a plea for intellectual, spiritual and moral upliftment.

Fueled by enthusiasm, the students wholeheartedly participated, spotlighting their abilities and achievements to enthrall the audience. The carefully coordinated assembly, presenting a wide array of programmes, emphasized on the school’s essential contribution in moulding students into learning a subject in three distinct facets: Academics, Sports and Literary Competitions.

The comperes ApoorvaYadavalli and Priyanshu Priyadarshi provided an ideal foundation for the Assembly, giving it the connectivity to perfect the plot.

Kuppachi Sai Harshith and Abirami T delivered the Welcome Address to provide a structured beginning of the programme and addressed the gathering to Present, Engage and Explore. The theme of the Assembly was brought to fruition through a skit titled **First day, Last Fear** that portrayed how different strengths and interests shape an individual’s journey and highlighted the role of guidance and opportunities to discover one’s path.

The students threw light on the importance of ‘perseverance’ and ‘resilience’ through a soulful music, titled **Sapno Ki Disha** expressing emotions that often words cannot capture.

Beyond The Beat, a dance ensemble showcased the cultural celebration of learning a subject and also reflected that ‘dedication’ and ‘passion’ could transform effort into grace and brilliance.

The Vote of Thanks was proposed by Dakshesh M and Vaibhavi Mohanraj, who gave a deserving closing by extolling the virtue of gratitude and thanked the August audience.

The invite and backdrop team contributed to their fullest to make the Class Assembly a resounding success. The design of the invite and the programme sheet illustrated the students’ creativity.

The Principal, Mrs. Sujatha M appreciated the students for their tremendous effort in putting up a great show and interacted with the students and their parents about the school’s role in Holistic Development of the students.

It was indeed an entertaining and informative show that brought out the Skills and Multiple Intelligences of the students to the fore.
