

REPORT OF X - C CLASS ASSEMBLY - 2022-23

CLASS TEACHER: Ms.Kethziah.J.K

DATE: 18.07.2022

TIMING: 8.30 am to 9:00 am

TOPIC: How School Builds Aptitude and Moulds Calibre Among Students - 5 Ways

The Assembly began with the DAV Gaan followed by the chanting of divine Gayatri Mantra to start the day with a Spirit of Positivity. After the National Pledge, the audience was greeted by a warm welcome address. The School's guidance to Students in building aptitude and moulding calibre was shown through various programmes revolving around the assembly theme.

The programme started with a speech on "What exactly is Calibre and how to ignite the calibre hidden in every student". This was pursued by a self-written musical titled '**Que Sera Sera**' (**whatever will be, will be**). It showed how regardless of whatever your dream may be, as long as you're in DAV, your potential will be recognised.

'**Classy Dance**', the dance performance portrayed that calibre can be attributed to artistic skills too.

The penultimate event was a unique act showing students' ability to think on their feet. Both the performers and the audience created a charming story, using nothing but their quick thinking. Finally Vasundara of the class shared her success story and the way in which DAV helped her in moulding her calibre.

At the end of the programme, a group of students displayed a painting that they had been drawing throughout the entirety of the assembly. This not only demonstrated the talent of the students but also the picture in itself was a tribute to DAV, the ideal School supporting the Students to reach the pinnacle of glory. The programme concluded with **Vote of Thanks**, followed by **National Anthem** and **Shanti paat**.
