

D.A.V. PUBLIC SCHOOL

VELACHERY, CHENNAI - 42

REPORT OF X – D CLASS ASSEMBLY – 2022-23

Class Teachers: Anitha.R

Date: 19.07.2022

Time: 8:30 a.m. – 9.00a.m.

Topic: How School identifies Aptitude and Moulds Passion for Learning a Subject among Students - 5 Ways

The Class Assembly of X D began with the DAV Gaan followed by the soulful recitation of Gayatri Mantra. Patriotism towards Nation was expressed by taking the National Pledge. A formal Welcome address was delivered by Sumesh.

The theme of the assembly was depicted through an informative conversation between a Diary and a Study Planner, in which the students presented different programmes that bring out their aptitude and passion for learning a subject.

The programme started with an imaginary **Interview with Alumnus**. She expressed how the school helped her in improving her communication skill and confidence through *ASL, YTBC Competitions, Debates and Inter School Competitions*.

The foot – tapping dance, **Gracious Groves** showcased the different ways by which the ‘school moulds passion among students’. The various *Science and Math Lab Activities* performed in class were portrayed through graceful movements of Bharatnatyam. A scintillating and inspirational folk dance performance portrayed how ‘E-learning platforms’ would enable students to experience joyful learning. An energetic western dance exposed various club activities conducted in School to bring out the hidden talents of students.

A very informative general talk ‘**Missing Peace – A Daily Podcast**’ was presented to highlight the advantages of interactive classes to learn various subjects. The programme concluded with a Small ‘Thank you note’ to the respected Principal and all the teachers for their encouragement and support in moulding the passion of every student.

This was followed by announcing the credits to the art team and Vote of thanks by Sanchana. The programme ended with National Anthem and Shanthi Paat.

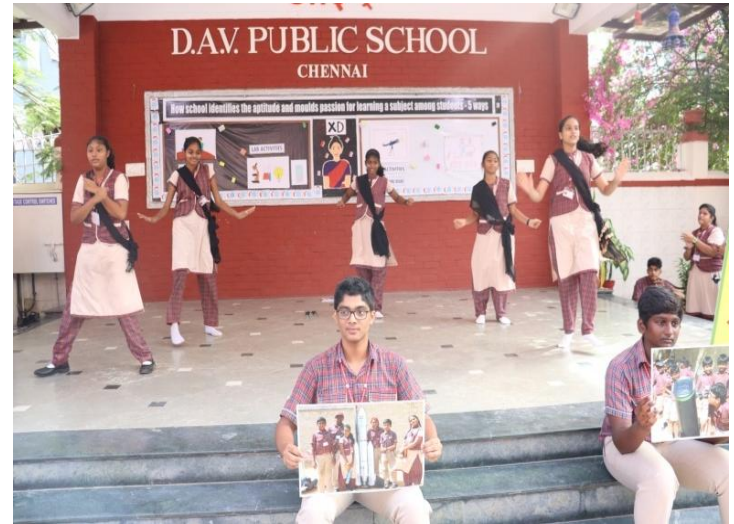

Unveiled Mystery of Diary and Study Planner

'Enlightening Interview - How School Identifies Aptitude

'Joyful Learning' – Scintillating Dance Performance

Energetic Dance Depicting Club Activities

'Exciting Podcast' – An Interactive session on how to create interest towards a Subject
