With the enlightening rays of the sun and blessings of the Almighty, Class XII-A inaugurated the first Offline Class Assembly of the Academic Year 2022 – 23 after a *hiatus* of almost two years as a consequence of the devastating pandemic.

The event marked by *joie de vivre* (a feeling of happiness) gave the students an opportunity to efficiently bring the 8 forms of intelligence at the forefront on the topic ‘How School Fosters Human Excellence through Competence in 3 ways’.

The proceedings began with the class choir singing the DAV *Gaan* with patriotic fervor and the *Gayatri Mantra* invoking the blessings of the Almighty. The next phase of the assembly was the most awaited one, unfolding the days and nights of hard work of the students to seamlessly showcase the 3 ways.

The first program ‘**Value our Values**’- LACTIC saw 7 students enumerating on the School Value System- **Leadership, Ardour, Commitment, Teamwork, Integrity and Creativity** and how the values constitute the wider puzzle of **Competence**. To make the objective reverberate, the DAVites of different classes representing each value were honoured real time, much to the delight of the spectators.

The second program – *Utsav* inclined towards a conceptual handling of the topic with the crux being -Creative and Intellectual Competence. The storyline was about two students visiting a fair and being taken by surprise by the smorgasbord (variety) of kiosks. An engaging ‘**fuzz your brain up**’ aroused the intellectual competencies of the audience and a voting contest to adjudge the best Art work highlighted Creative Competence. The fair replicated the environs of the School that is lively with the unabated participation of the students in various contests all year long.

**DANCE ‘21** – had the name speak for itself. The vigour and innovation demanded by the 21st century affairs found a seat in the program with the students shaking a leg to a motley of tunes. The program saw a fusion of elegant *Bharatnatyam* steps with arduous yoga *asanas* at concurrence and a formation, much to the exhilaration of the audience.

Before the curtains fell, the Principal gave an inspiring feedback marveling at the skills of the DAVites. She acknowledged the fortune of having the forenoon gathering back again which was almost a ritual in the pre-pandemic life. Her message to have an ‘eye for detail’ resounded throughout the speech in which she applauded the organizational skills of the students and the perfect paraphernalia. A few parents registered their views regarding the assembly and were equally enthralled to see their wards back again on the most revered stage.

Energised by the words of appreciation, Students of XII A bubbled with satisfaction and set forth with a fire to tackle any challenge and endeavor in their life!
