The Class Assembly of XII B was held on 2<sup>nd</sup> July, 2022 on the topic 'How School Fosters Human Excellence Through Conscience' in the presence of the Principal, Mrs. Minoo Aggarwal, the Supervisory In Charges, Staff, Parents and Grandparents and the excited students of Std XI and XII.

The formal proceedings of the DAV Anthem, *Gayatri Mantra* and Welcome Speech were followed by a beautiful depiction of the upheaval in the life of a teenager. The portrayal projected how teenagers are at crossroads and find it appalling to follow the true '**voice of conscience**'. The narrative was smoothly executed by the acting prowess of the students of **XII B**.

The dilemma that the teenager goes through while heeding to the mother's advice, showing empathy to the needy, being honest in moments of temptation besides many other relatable incidents from the '**Diary of a Teenager**' was precisely depicted in the short play. Each scene stressed on the pivotal role played by the School in moulding the students into morally upright citizens.

The battle of the Good Conscience and Bad Conscience was presented through a graceful **Dance Composition**. The dancers in the immaculate white and elegant black represented the conflicts one confronts and reminded the rapt audience to awaken to 'Only' the call of goodness.

A breathtaking '**Rap**' came as an entertainer with a strong message, 'to pause, introspect and kindle a true sense of worth' and to shirk all acts of vandalism in public places.

A few parents expressed their delight at the student's stupendous performance and applauded the efforts of the School in encouraging the students to excel in all fields. The Principal also appreciated the Team Work and the Conceptualization of the whole idea.

The entire Assembly was akin to a Motion Picture that told a tale and left the audience asking for more.
