Report on the Class Assembly of XII C during the Academic Year 2022-23

Topic: How School Fosters Human Excellence through Compassion

Date: 4th July, 2022

Class Teacher: Ms Esther E

The Class Assembly of XII C spread an aura of spiritual fervor as the DAV Gaan and Gayatri Mantra resonated in the School Assembly ground on Monday, 4th July 2022.

The Formal Assembly program dwelt on the School Vision Statement - **How School Fosters Human Excellence through Compassion**. The formal Program used the Eight Multiple Intelligences to narrate a touching script on Compassion. The narrative expressed how a scriptwriter to a poet and a dancer to an athlete are connected by one bond and that is the 'bond of Compassion'. The Welcome Address followed by the Introduction Speech- **COMP-ELEVATION** emphasized on the importance of how to treat people and be compassionate with each other.

Anirudh S.V and Shrinidhi.S came up with a novel news update on the DAVites who spread cheer by their noble deeds. The role play- **COMP-ACTION** written and directed by Sree Sai Raghav showcased a series of compassionate acts that vividly conveyed how the School Fosters Human Excellence through Compassion. A dance performance had the dancing *divas* of XIIC groove to a lilting music. **KINDNESS WITHIN**, a self-composed poem, recited by Shibani Selvakumar, tugged at everyone's heart.

COUNTLESS BLESSINGS was a genuine gesture of compassion and appreciation. Handcrafted 'Thank You' cards spoke volumes about the sense of compassion permeating among students and brought bright smiles and loud cheers.

The Principal appreciated the intricacies of the entire show and reminded the students of their prime duty to express empathy in all their actions in real life too. A few of the spell bound parents cherished the efforts taken by the school in shaping their child's future.

The Vote of Thanks proposed by Dishaa L brought the curtains down on a befitting tribute to the School that fosters benevolence in full measure.
