A REPORT ON THE WORLD EARTH DAY

DATE: 18.06.2025 (Wednesday)

TIMING: 8.40 a.m. - 9.00 a.m.

EVENT HOST: CLASS I TO IV

VENUE: DAV VATIKA

A gentle breeze welcomed us on a bright and beautiful morning as our school transformed to pay tribute to Mother Earth. The program began with a graceful compering by our enthusiastic Grade IV hosts, who warmly welcomed the audience and set a tone for the day. The event commenced with a prayer song and the DAV Gaan followed by a Welcome Note that vividly described Earth's beauty and fragility, emphasizing the importance of celebrating a lifestyle of care and commitment.

The audience was delighted as Grade I students strutted down the ramp in a vibrant Earth Elements Walk, each child dressed as Earth, Water, Air, Fire, or Space. With innocence in their eyes and confidence in their steps, they showcased the harmony of nature. Next, the stage came alive with an inspiring Earth Day speech. Students from Grade IV spoke powerfully about climate change, pollution, and the small steps we can take to make a big difference. The Poignant words, "The earth is whispering through the winds, rustling leaves, and melting glaciers... are we truly listening?" left the students to think and inspired act.

The Earth Day song by Grade II added a melody of hope to the Celebration, as their harmonious voices sang about clean rivers, green trees, and blue skies, filling the campus with a rhythm of responsibility and inspiring other to join in the cause. This was followed by a soul-touching Hindi speech and song, beautifully presented by the team of Grade IV students. The event concluded with a serene Nature Walk led by Grade III featuring, creative placards with powerful "Go Green" messages. Grade IV students proposed a heartfelt Vote of Thanks, expressing gratitude to teachers, staff, and Mother Earth. They ended with a promise, "Let's plant roots of hope and leaves of change in all hearts, to heal our earth".
