REPORT ON THE CLASS FIELD TRIP OF CLASS VIII TO DAKSHINA CHITRA

Date: 03.09.2025

Number of Students joined the trip: 188

To provide a hands-on learning experience for students about South Indian Art, Architecture, Lifestyle, and Cultural Traditions students were taken to the field trip to Dakshina Chitra.

Students visited and explored traditional South Indian homes, including those from different regions and communities, gaining insight into unique architectural styles and cultural practices.

The students witnessed demonstrations of traditional crafts, such as pottery and weaving, and interacted with artisans to understand their skills and techniques.

The trip included engaging cultural performances, such as folk dances and puppet shows, which showcased the rich heritage of South India.

Students developed a deeper understanding of South Indian culture, traditions, and history. The Trip fostered appreciation for traditional crafts and the skills involved.

Students learned to work together, respect different cultures, and develop social skills through interactions with peers and artisans.

A guided tour was conducted to ensure students gained maximum knowledge about the exhibits and cultural significance.

Students participated in workshops where they learned traditional crafts and art forms. Interactive sessions were held to engage students and encourage them to ask questions and learn more about the culture.

The students and teachers alike thoroughly enjoyed the trip. Feedback indicated that the experience was both educational and enjoyable, with many students expressing their appreciation for South Indian culture and tradition.

The field trip to Dakshina Chitra was an enriching experience for the Class VIII students, providing a unique blend of education and enjoyment. It helped students connecting with South India's vibrant cultural heritage and develop valuable life skills. The trip was a resounding success, and we look forward to more such educational excursions in the future.
