REPORT ON THE CLASS ASSEMBLY OF IV – E DURING THE ACADEMIC YEAR 2024 -25

Class Teacher: Ms. Durga Lakshmi .S

Date: 09.08.2024 (Friday)

Timing: 8.35 a.m. to 9.00 a.m.

Class Strength: 44

Topic: “Problem Solving Skills in Team Work”

On August 9 2024, the students of class IV E, showcased their talents by presenting a thought provoking assembly centered on the theme "**Problem Solving Skills in Team Work.**"

The assembly was an informative and lively event that demonstrated the importance of teamwork in effectively solving problems.

The programme included a **speech, a skit, and a dance performance**, all of which highlighted different aspects of teamwork and problem-solving in a creative and engaging manner.

The assembly opened with a speech where students articulated the various elements crucial for successful teamwork. They emphasized the importance of Analytical thinking, Collaboration, Creativity, Persistence and Critical Thinking.

An engaging **skit** was performed that vividly illustrated the role of teamwork in problem-solving. The skit entertained and educated the students about Teamwork. One of the key scenes showed how Alexander Fleming’s discovery of Penicillin was a team effort highlighting the importance of teamwork and reinforcing the assembly theme.

The assembly concluded with a vibrant **Dance** performance that symbolized the harmony and coordination essential for effective teamwork.

Overall, the assembly was a great success, effectively communicating the importance of problem-solving skills in a team setting. This assembly not only provided educational value but also encouraged a spirit of collaboration among the students, making it a memorable and impactful event for everyone involved.

The Assembly concluded with the National Anthem and Shanti Paat.
